

Did you know that Southwark and Lambeth Libraries offer eBooks, eAudio and eMagazines through the **BorrowBox** and **RBDigital** apps ?

Some examples of the emagazines available include our library favourites including BBC History Magazine, National Geographic, How it Works, New Scientist, Stuff, The Economist and Wildlife but also includes History Revealed, Science Focus, Match of the Day, The Week Junior and Popular Science.

If you are already a member of our local public libraries, then all you have to do is download the **BorrowBox and/or RBDigital** app and then you can access the Southwark/Lambeth Libraries online catalogue (see links below).

If you look at your library card, you will see your Borrower Number (SKP or LMP). If you haven't logged in before, your Pin/Password is your year of birth which you can change as you log in.

If you are not a member of either library, you can join online today. Click on these links below and follow the registration process. Ultimately your online membership will be able to be upgraded as and when the libraries re-open.
