Important Information

This summer the standard post-results services such as Access to Scripts, reviews of marking and reviews of moderation will not apply.

Candidates can only appeal their Official Exam Board Awarded grades through the centre under the following circumstance:

- If they feel and can prove that the Ofqual Centre Assessed Grading process for this summer was not followed correctly in their case.

This includes:

- An error when submitting a centre assessment grade or rank order information
- An awarding body made a mistake when calculating, assigning or communicating a grade

A candidate cannot:

- Appeal against their centre assessment grades and position in the rank order
- Appeal in respect of the process or procedure used by The Charter School North Dulwich in calculating their centre assessment grades and position in the rank order. All centre assessment grades were agreed between all the teachers in a department, the Senior Leadership Team and signed off by the Head of Centre.

All requests for appeals must be made through the school. Please note that Ofqual have not yet confirmed the final appeals process and there may have to be a charge for this service. The awarding bodies will not accept private applications. If you have grounds for an appeal, please contact The Charter School North Dulwich Exams Officer by email postresults@charternorthdulwich.org.uk

We are aware that Ofqual are currently developing a valid mock-exam results appeal criterion and more details will be published early next week (W/C 17 August). Please see Ofqual's response to the Secretary of State for more details by following the link [HERE](#)

Any other concerns about the centre assessment grading process should be raised directly with The Charter School North Dulwich via the exams officer or a member of the Senior Leadership Team.
