

Speech and Language Therapy Drop-in for School Aged Children – Parent Leaflet

Evelina London Children and Young People's Community Speech and language therapy are holding a weekly online drop-in for schools we work with. Your child does not need to be known to our service for you to attend the drop in. We can give general advice on anything related to speech, language and communication. These skills underpin almost every task that your child does at home and school.

We can give you ideas for how to help your child:

- By using visuals at home
- Develop language skills
- Develop attention and listening
- Understand and follow instructions
- Answer questions
- Supporting fluency when talking
- Get started with school/home-work
- Develop social skills
- By supporting language through stories

When is the speech and language therapy drop-in?

Every **Wednesday** from **3:00 – 5:00pm**.

Please join at the time that is most convenient for you. You may have to wait before the speech and language therapist can see you.

We are also posting weekly videos on our Facebook page
