Social Communications Drop-in

For Parents

Every Thursday via Zoom (link will be sent via email)

14:00-16:00

We are holding a weekly remote drop-in session for parents who have students receiving Social Communications or Speech & Language Support.

We can offer remote support and give general advice and on anything related to speech, language and social communication, for example:

- Developing communication skills (verbal / non-verbal)
- Developing attention and listening
- Understanding and following instructions
- Getting started on school work at home
- Developing social skills
- Discussing various interventions and resources that could be used at home
- Support with understanding emotions and how to regulate
- Advice for mental health and wellbeing
